8. If any owner is an organization, is the organization a non-profit organization (e.g. university)? _____
9. If any owner is an organization, does the organization have 500 or less full and part time employees? _____
10. If you answered yes to Question 8 or 9, would you like more information about an opportunity to receive a reduction in certain government fees for a U.S. patent application by designating the application as a small entity or micro entity? _____

Prior Application(s) and Disclosure (Questions 11-14)

11. Have you already filed a patent application for the invention in the United States or a foreign country? _____

If so, please provide the application information for each application in the space below, including the country of filing, date of filing, type of application (e.g. Community Design, provisional, etc.), application number, and status of application (e.g. pending, expired, expressly abandoned, etc.).

Please check this box if you are attaching additional application information.

12. If you have previously filed a patent application, would you like to base this application on the earlier filed application by including a claim of priority to the earlier application? _____

If yes, does the present invention include additional features that are not disclosed in the prior-filed application? _____

13. Have you publically used or disclosed the invention in the United States or a foreign country? _____

If so, please describe any such disclosure in the space below, including the date of disclosure, country of disclosure, and nature of disclosure (e.g. paper presentation at a conference, published in journal, demonstrated invention to investors, etc.)
